# Home Delivery Complete

With Home Delivery Complete, you can get up to two fills of your maintenance medication at your regular pharmacy. By the third fill, you must start using home delivery for your maintenance medication to be covered.

There are three options enroll in Home Delivery:

- 1) Go to [empireblue.com](http://empireblue.com). Choose Order and Manage Prescriptions on the home page, then choose Request a New Home Delivery Prescription to get started.
- 2) Download the Sydney Health mobile app. Log in to the Sydney Health app, select Pharmacy, then choose Request a New Home Delivery Prescription to get started.
- 3) Call Empire and they will help you make the switch.

If you do not enroll in home delivery for your maintenance medication, you will have to pay 100% of the cost of your medication.

# Preferred Generic Rx Program

## Switching to Generic Drugs Can Save You Money!

- Generic drugs work just as well as brand-name drugs but often cost less
- If you get a brand-name drug that has a generic option, you will pay the tier 1 (generic) copay plus the difference in cost between the brand-name and generic drug
- If your doctor prescribes a brand-name drug that does not have a generic equivalent, you will pay the tier 2 copay or tier 3 coinsurance

Before you opt for a brand-name drug, remember it will cost you more money

### Here's an example of why you pay more for a brand-name drug:

Your tier one (generic) drug copay:	\$ 10
Plus the brand name drug cost:	+ \$ 160
Subtotal:	<u>\$ 170</u>
Minus the generic drug cost:	- \$ 60
You pay more for a 30-day supply of the brand-name prescribed drug:	<u>\$ 110</u>

# Health Reimbursement Account (HRA)

If you choose the HRA3000 medical plan, The Fedcap Group will provide you with an employer funded HRA (Health Reimbursement Account) you can use to offset your deductible.

The HRA will be administered by Empire and incoming claims are first paid by the HRA.

Coverage Level	Stipend Amount
