Outside Empire's network area, you must obtain precertification from Empire's Medical Management Program for non-emergency services from in-network BlueCard® PPO providers (with the exception of MRI, MRA, PET, CAT and Nuclear Cardiology services, which do not require precertification for services rendered from in-network BlueCard® PPO providers outside of Empire's network area).
- (3) You are responsible for obtaining precertification from Empire's Medical Management Program for these services. Your provider may call for you, but you will be responsible for penalties applied if precertification is not obtained. For ambulatory surgery, *please call the toll-free number on your member ID card to determine exactly what outpatient services require precertification*
