# ELIGIBILITY & ENROLLMENT

## Making Changes During the Year

The IRS requires that benefit elections paid for on a pre-tax basis remain in effect for the full plan year. However, the IRS permits changes within 30 days of a qualifying life event. With a qualifying life event, you will be able to add or drop elected benefit coverage for you and/or your dependents. Examples of qualifying life events are:

- Your marriage, divorce, legal separation or annulment,
- The birth of your baby, adoption or placement of a child with you for adoption, or another change in the number of your dependents,
- The death of a dependent,
- Your dependent's eligibility or ineligibility for coverage (for example, he or she reaches the plan's eligibility age limit),
- A change in work location or home address for you, your spouse or your dependents,
- A change in coverage of your spouse or your dependent under another plan,
- Your qualification for a special enrollment under the Health Insurance Portability and Accountability Act of 1996 (HIPAA),
- A court order received by the plan, such as a Qualified Medical Child Support Order (QMCSO), or
- You, your spouse or your dependent's qualification for Medicare or Medicaid. For this qualifying life event only, you will have 60 days to provide supporting documentation.

If you need to make an election change during the year or have questions about what constitutes a qualifying life event, contact the Fedcap Benefit Service Center at [1-866-533-3227](tel:1-866-533-3227) or [benefitservicecenter@fedcap.org](mailto:benefitservicecenter@fedcap.org).

## Terms You Should Know

**Deductible:** A fixed dollar amount (individual or family) during the calendar year that the insured pays out-of-pocket, before the insurer begins to make payments for covered services.

**Coinsurance:** A form of cost sharing in an insurance plan that requires an insured person to pay a shared percentage of covered expenses after the deductible amount, if any, is paid.

**Copay:** A fixed amount required by a health provider to be paid by the insured for each outpatient (office) visit or prescription.

**Out-of-Pocket Maximum:** The maximum dollar amount an insured is required to pay "out of his/her pocket" during a plan year. After the maximum is reached, the insurance carrier pays the total cost of all eligible covered expenses.

# HEALTH & WELFARE BENEFITS

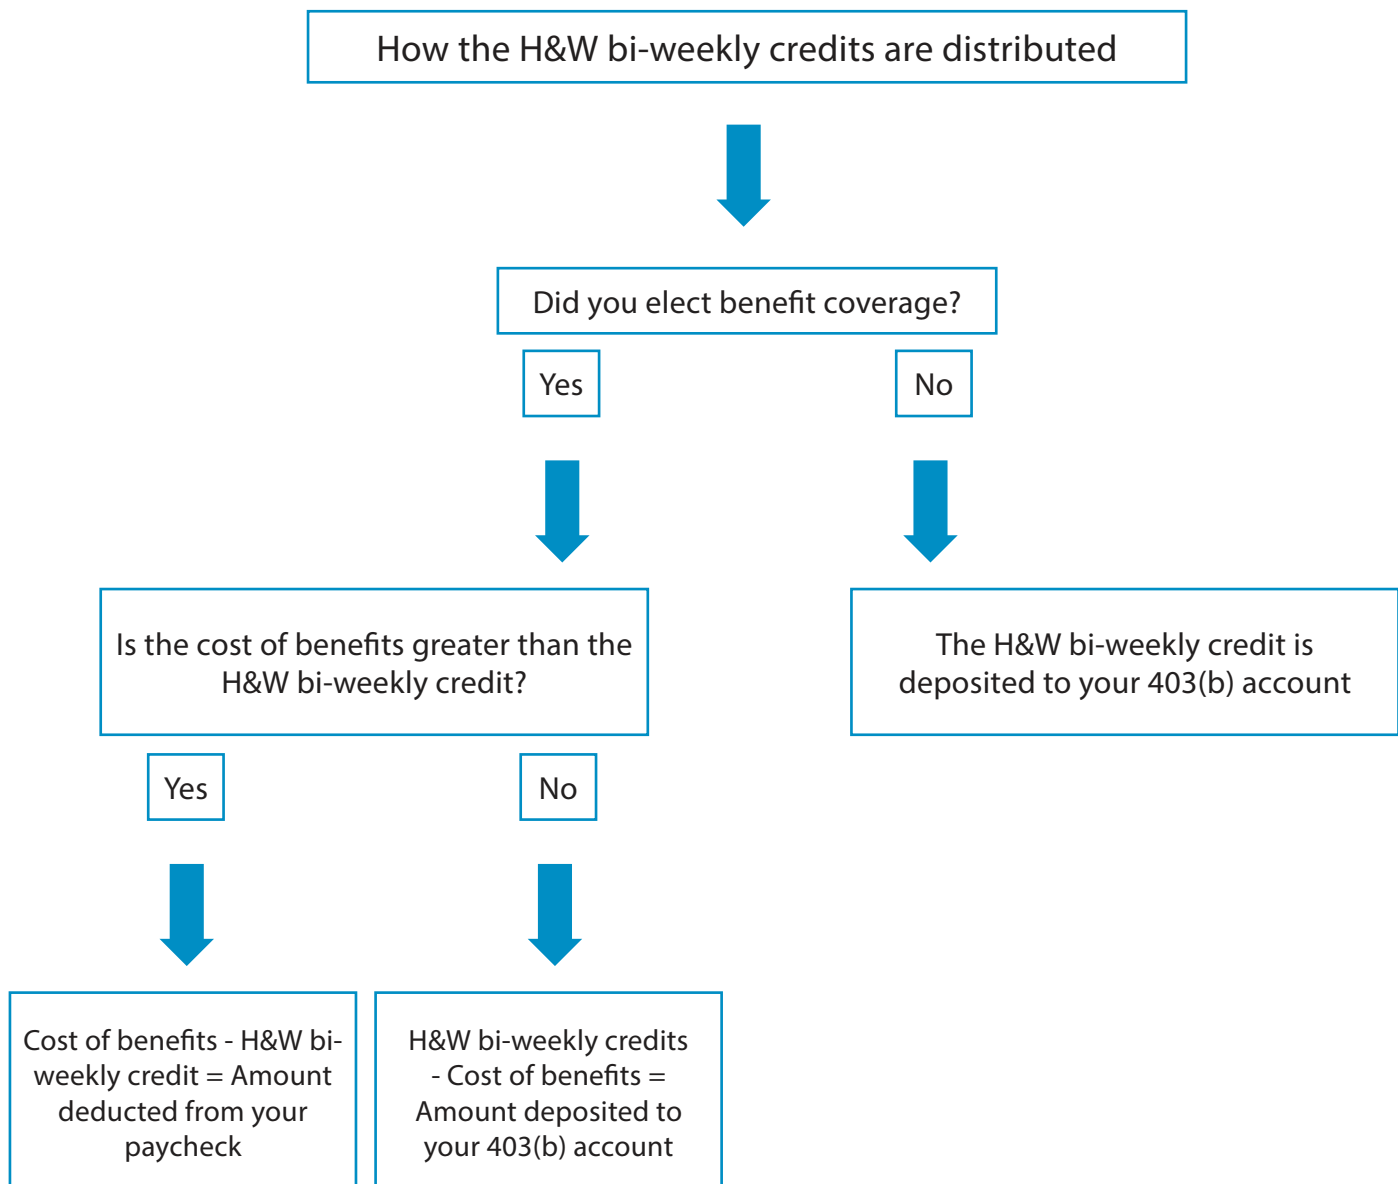

## Health & Welfare Credits – How do I earn Health & Welfare credits?

The Health and Welfare (H&W) Credits are calculated based on the amount defined in your contract and the number of eligible hours you work each week. The hours used to calculate the H&W credits for any given pay period will always be a pay period behind, so only the actual hours worked are used. Some contracts include all types of paid hours, including vacation, sick, overtime and weekend hours worked, while others do not. The maximum number of hours used to calculate the H&W credit is 80 hours per payroll period.

## Health & Welfare Credits – How does it work?

The cost of the benefits you elect are eligible to be deducted from your H&W credits. Eligible health benefits include medical, dental, vision, legal and life insurance costs. Depending on your benefit election, the difference will either be deducted from your paycheck or deposited into your retirement account at Mutual of America. Deposits to Mutual of America are made on a quarterly basis. Per government regulations, client workers who are 65 years and older and earn H&W credits must elect Fedcap medical coverage.

The chart below can assist you with understanding your H&W Credits.

## Preferred Generics Prescription Drug Program

You can save money by choosing a generic over a brand-name drug. When your doctor prescribes a brand-name drug that has a generic option, your pharmacy will automatically fill the prescription using the generic drug.

If you prefer the brand-name drug over the generic option, you will pay the generic copay plus the difference in cost between the generic and the brand-name drug.

When your doctor writes a prescription for a brand-name drug that has a generic option and writes "dispense as written", the pharmacy will fill the prescription for the brand-name drug.

Be sure to talk with your doctor about generic versus brand-name medications. For more information visit [www.anthem.com](http://www.anthem.com).

## Mail Order Program

You can save money on Tier 1 and Tier 2 prescriptions you take on a routine basis for chronic conditions (e.g., asthma, high blood pressure, high cholesterol, etc.) by getting up to a 90-day supply delivered directly to your home using the Home Delivery Program. To get started, call 1-833-203-1739. Agents are available 24/7. You'll need your prescription, doctor's name, phone number, drug names and strengths, and a credit card. Once you set up your home delivery, you can order future refills easily:

- **By Phone 24/7:** Call 1-833-203-1739
- **By Mail:** Fill out an order form; then, mail it along with payment to CarelonRx Home Delivery, P.O. Box 94467, Palatine, IL 60094-4467
- **Online:** Visit [www.anthem.com](http://www.anthem.com), log in and choose Pharmacy. On your personal pharmacy page, select View Your Prescriptions under Switch to a 90-Day Supply. For the drugs you want to switch to home delivery, choose Switch to a 90-day Supply and then Select Prescriber. # HEALTH REIMBURSEMENT ACCOUNT (HRA)

The Fedcap Group provides you with a Health Reimbursement Account (HRA) through Anthem. An HRA is an employer-funded account you can use to pay for eligible health care expenses not covered by Anthem.

This Plan is an In-Network only plan; this means there is no coverage if you use an out of network provider. You must satisfy a deductible before the Plan will begin to pay benefits, except for preventive care services, which are covered at no cost to you. Once the deductible has been satisfied, the Plan provides traditional health coverage through a national network of physicians and facilities.

## How the HRA Works with Anthem

\*Copays apply to prescriptions only. All other services are subject to coinsurance after the deductible has been met.

The Fedcap Group will provide an HRA stipend to use towards the deductible. The amount of the HRA stipend varies with coverage tier. Effective January 1, 2024, The Fedcap Group will provide the following amount to HRA3000 participants:

Coverage Level	Stipend Amount
Employee Only	\$750
Employee + Child(ren)	\$1,000
Employee + Spouse	\$1,000
Employee + Family	\$1,250

In the HRA3000 Plan, the deductible is satisfied as soon as one covered individual meets the Individual deductible for Employee Only tier, or one or more individuals collectively meet the Family deductible. In other words, each covered individual is not required to meet the Individual deductible, except for individuals in Employee Only tier. The HRA3000 has an aggregate deductible; the Family deductible amount will include all combined eligible expenses that you and your covered dependents incur. The Family deductible amount may be satisfied by one member or a combination of two or more members covered under the HRA3000 Plan.

A subscriber and spouse/domestic partner may earn rewards when eligible activities are completed and, in some instances, are verified by an Anthem claim.

Product availability may vary. The reward amount redeemed may be considered income to you and/or your spouse/domestic partner and subject to state and federal taxes in the tax year it is paid. You and/or your spouse/domestic partner should consult a tax expert with any questions regarding tax obligations.

# Disability insurance

When the unexpected happens, you want a backup plan

If you get sick or injured and can't work, your paycheck may go away — but your regular expenses won't.

A disability plan can provide peace of mind. Think of it as a backup plan for the worst-case scenario and a way to protect your income.

Did you know that 1 in 4 of today's 20-year-olds will become disabled before they retire?<sup>1</sup> **If you get sick or injured and can't work, our disability coverage pays you part of your salary, up to the limit allowed by your plan.** It can help you cover medical bills and other expenses while you're not getting a paycheck.

**Most people think of workplace injuries or accidents when they think of disability. But 90% of disabilities are caused by illness, such as arthritis, back pain or cancer.<sup>1</sup>**

## Fast and accurate payments

We know that when you need disability benefits, you need them fast. So our claims turnaround time is among the fastest in the industry — usually within two days.<sup>2</sup> And our accuracy rate for claims payments is 99.9%.<sup>2</sup>

## How much disability insurance do you need?

# Filing a claim

## for your accident, specified disease, or hospital indemnity plan

If you ever need to file a claim for your accident, specified disease, or hospital indemnity plan, you should know that it's different than filing a claim for your medical plan. With your medical coverage, your doctor or other health care provider files claims for you. To use your accident, specified disease, or hospital indemnity benefits, you will need to fill out a claim form and mail it to us. You will also need to provide paperwork from the care you received.

Here's how it works:

### 1. Gather your paperwork

You will need to provide all the paperwork related to your claim, such as any time you saw a doctor or had a treatment for the accident or specified disease. This may include:

- Doctor notes.
- Emergency room or hospital discharge papers.
- Lab reports.
- Itemized hospital or doctor bills.
- Medical summary of benefits.
- Childcare, transportation, and/or lodging receipts.
- Police reports (if your claim involves a car accident).

You may have to ask your doctors or other health care providers for these records.

### 2. Fill out the claim form

If you don't already have it, reach out to your human resources department, or you can go to the **Forms Library** at [empireblue.com/forms](https://empireblue.com/forms). The records you gathered will help you answer the questions. You will need to know things like:

- Whether you're filing an accident, specified disease, or hospital indemnity claim.
- The dates of your injury or illness and when you received treatments.
- The names of your doctors and the places where you received treatment.

### 3. Sign the form and mail or fax it to us

**Mail it to:**

Empire Supplemental Insurance Benefit Department  
P.O. Box 2076  
Grapevine, TX 76099

**Or fax it to:**

469-417-1977

### Do you have questions about the form or how to submit your claim?

We're here to help. You can reach us at 800-604-5379.

- **Medical evacuation or return home:** If a doctor chosen by GGA decides you should be taken to a different healthcare facility or return home for treatment, GGA will arrange that. They will also pay for it, up to the program limit of \$1 million for each medical incident (all services combined).

- **Payment guarantees:** You may have to pay for certain medical services even if your medical plan covers you overseas. In most cases, GGA can guarantee payment for these services if you provide a guarantee to repay them. This helps ensure you don't have to pay cash for out-of-pocket expenses. Many overseas facilities will not accept a credit card for payment, making this service an important feature.
- **Help with dependent children:** If you travel with a dependent under the age of 26 and they are left alone because you are in the hospital, GGA will set up and pay for their most direct route home on economy class airfare.<sup>2</sup> GGA will also arrange and pay for a qualified escort to go with them, if needed.
- **Traveling companion assistance:** If you have a travel companion who needs to return home, GGA will arrange and pay<sup>2</sup> for their airfare.
- **A visit by family member or friend:** If you are traveling alone and will be in the hospital seven days in a row, GGA will arrange and pay for round-trip economy class airfare<sup>2</sup> for a family member or friend to visit you. They will also receive \$150 each day for up to five days for meals and lodging.
- **Emergency messages:** GGA can relay messages to and from family, friends, and coworkers.
- **Emergency cash advances:** GGA will advance up to \$5,000 in an emergency. You will need to provide a guarantee to repay them and pay any transfer or delivery fees.
- **Legal counseling and bail:** GGA will find an attorney and arrange bail bond payment, if the law permits. You will need to pay or provide a guarantee of payment for the attorney and bail bond fees.
- **Emergency travel arrangements:** GGA can make new travel arrangements or change airline, hotel, and car rental reservations if there is an emergency. You will need to provide a payment/credit card guarantee for tickets, hotel rooms, and car rentals.
- **Interpretation or translation:** GGA will help by phone in all major languages or refer you to a service that interprets and translates documents in writing.

GGA will also help with:

- **Guiding you through what to do if your wallet or purse is lost or stolen.**
- **Bringing your remains home** if you pass away, up to \$10,000.
- **Returning your personal vehicle in an emergency.**
- **Returning your pet in an emergency.** If your pet is traveling with you and is left alone because you are in the hospital or you pass away, GGA will arrange and pay for its return home.
- **Finding lost luggage, documents, and personal items.**
- **Replacing medicine and eyeglasses.** You will be responsible for these costs.

**Remember that all services must be arranged in advance by GGA to be covered by your plan. You may have to pay for certain other services GGA provides, such as cash advances.**

## Women’s Health and Cancer Rights Act of 1998

## Newborns’ and Mothers’ Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Special Enrollment Rights Under HIPAA

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may be able to enroll yourself or your dependents in the Fedcap health plan in the future if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. If you lose Medicare or CHIP coverage because you are no longer eligible you must request enrollment within 60 days. If you or your dependents become eligible for premium assistance under a State Medicaid or CHIP program that would pay the employee portion of the health insurance premium you may request enrollment within 60 days. To request special enrollment or obtain more information, contact The Fedcap Benefit Service Center at [1-866-533-3227](tel:1-866-533-3227) or [benefitservicecenter@fedcap.org](mailto:benefitservicecenter@fedcap.org).

## Mental Health Parity

The Mental Health Parity and Addiction Equity Act of 2008 requires plans to provide mental health and substance abuse benefits at the same level that benefits for medical and surgical related benefits are offered. Additional information and details can be found by visiting the Department of Labor’s Mental Health Parity <http://www.dol.gov/general/topic/health-plans/mental>

## Summary of Benefits and Coverage

As an employee, the health benefits available to you represent a valuable component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan provides a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options. The SBC is available on the company intranet. A paper copy is also available, free of charge, by calling the Fedcap Benefit Service Center at [1-866-533-3227](tel:1-866-533-3227).

## Continuing Coverage Through COBRA

The Consolidated Omnibus Budget Reconciliation Act (COBRA) allows you, your spouse and your covered dependents to temporarily extend medical, dental and vision benefits and Health Care FSA in certain situations where coverage would otherwise end (like at your termination of employment or a reduction in hours). If you elect COBRA coverage, your benefits will continue for a defined period of time. Your spouse and dependent children can also continue coverage under COBRA upon a divorce, loss of dependent status, or if you die. You will be required to pay the premiums for this continued coverage, which will be the full cost of the plan plus a 2% administrative fee. For more information about continuing coverage through COBRA, please refer to your Plan Documents or call the Fedcap Benefit Service Center at 1-866-533-3227 or [benefitservicecenter@fedcap.org](mailto:benefitservicecenter@fedcap.org).

## Statement of ERISA Rights

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 ("ERISA"). ERISA provides that all participants shall be entitled to:

### Receive Information about Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, the Plan and Plan documents, including the insurance contract and copies of all documents filed by the Plan with the U.S. Department of Labor, if any, such as annual reports and Plan descriptions.

Obtain copies of the Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report, if required to be furnished under ERISA. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report, if any.

## Continue Group Health Plan Coverage

If applicable, you may continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You and your dependents may have to pay for such coverage. Review the summary plan description and the documents governing the Plan for the rules on COBRA continuation of coverage rights.

## Prudent Actions by Plan Fiduciaries

In addition to creating rights for participants, ERISA imposes duties upon the people who are responsible for operation of the Plan. These people, called "fiduciaries" of the Plan, have a duty to operate the Plan prudently and in the interest of you and other Plan participants.

No one, including the Company or any other person, may fire you or discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA.

## Enforce your Rights

If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have a right to have the Plan review and reconsider your claim.

Under ERISA, there are steps you can take to enforce these rights. For instance, if you request materials from the Plan Administrator and do not receive them within 30 days, you may file suit in federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent due to reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, and you have exhausted the available claims procedures under the Plan, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose (for example, if the court finds your claim is frivolous) the court may order you to pay these costs and fees.

## Assistance with your Questions

If you have any questions about your Plan, this statement, or your rights under ERISA, you should contact the nearest office of the Employee Benefits and Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits and Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

## Important Notice from Fedcap About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Fedcap and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

If this Notice is being provided electronically to you, and you are a Plan participant, it is your responsibility to provide a copy of this Notice to your Medicare eligible dependents covered under the Medical Plan.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Fedcap has determined that the prescription drug coverage offered by Fedcap is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

## When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Fedcap coverage will not be affected.

If you do decide to join a Medicare drug plan and drop your current Fedcap coverage, be aware that you and your dependents may not be able to get this coverage back until the plan's next open enrollment. You may not drop prescription drug coverage under the medical plan and keep other coverage under the medical plan. This is because prescription drug coverage is part of the entire medical plan.

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Fedcap and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information.

**NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Fedcap changes. You also may request a copy of this notice at any time.

## For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** (1-877-543-7669) or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –

## Important Notice from Fedcap about New Health Insurance Marketplace Coverage Options and Your Health Coverage

### Part A: General Information

When key parts of the health care law took effect in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins November 1, 2023 for coverage starting as early as January 1, 2024.

#### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

#### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit<sup>1</sup>.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution – as well as your employee contribution to employer-offered coverage – is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

#### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your plan documents or contact the Fedcap Benefit Service Center at [1-866-533-3227](tel:1-866-533-3227) or [benefitservicecenter@fedcap.org](mailto:benefitservicecenter@fedcap.org).

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the “minimum value standard” if the plan's share of the total allowed benefit costs covered by the plan is no less than 60% of such costs.

## Part B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums. This information is numbered to correspond to the Marketplace application.

<b>10. Who can we contact about employee health coverage at this job?</b> Donna Quinn		
<b>11. Phone number (if different from above)</b> (212) 727-4267		<b>12. Email address</b> dquinn@fedcap.org

Here is some basic information about health coverage offered by this employer:

As your employer, we offer a health plan coverage to employees who work 30 hours or more per week .

With respect to dependents, we offer coverage. Eligible dependents are:

- Your legal spouse
- Your dependent children

If checked, this coverage meets the minimum value standard<sup>1</sup>, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**Note:** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60% of such costs.
